

Mighty**VS7**® Product

Synthetic 2-Step Power Steering Kit

SB105**PACKAGE** 2 - 4 ounce bottles per kit | 6 kits per case

Mighty Synthetic Power Steering Clean and Protect Kit is a Two-Part System

Mighty Synthetic Power Steering Clean (Step 1) is a uniquely blended synthetic oil-based power steering cleaner for use in all types of power steering units. This product safely cleans and removes damaging deposits and impurities. It can be used with or without exchange equipment.

Mighty Synthetic Universal Power Steering Fluid Protectant (Step 2) conditions seals and O rings, protects and prolongs fluid and system life and frees sticking turbines and pumps, while ensuring drivability. This product eliminates the need to stock multiple OEM Fluids by converting regular power steering fluid into a universal SLF (Special Lubricating Fluid) to be used in vehicles such as Honda and Acura.

Product Benefits

- + **Eliminates Whine and Noise in Power Steering Systems**
- + **Lubricates and Protects Racks and Pumps**
- + **Extends System and Fluid Life**
- + **Converts Regular Power Steering Fluid into an SLF Fluid**

* Kit contains SB103 Synthetic Power Steering Fluid Protectant and SB104 Synthetic Power Steering System Cleaner
