

## Graphene **Detail Spray** Ceramic Fortified

### DESCRIPTION:

Mighty VS7® Graphene Detail Spray is a premium formulation of ceramic and graphene technology to provide superior gloss, slickness and protection. The versatility of this detail spray allows it to be used on all of today's modern vehicle exterior surfaces. An easy to use spray and wipe product, one application imparts whole vehicle protection within minutes. It enhances water beading and boosts gloss, providing months of protection. Repetitive use can build layers of protection.

### FEATURES:

- Easy to use on all exterior surfaces
- Enhances water beading and gloss
- Apply to wet or dry vehicle
- Resistant to environmental elements

**DIRECTIONS:** Shake well before use. Do NOT allow product to freeze.

*For first time application* - wash and dry vehicle. Perform any needed preparation steps for a flawless finish (claybar, polish, etc.). Apply a few sprays to a panel. Use one microfiber towel to lightly wipe product into finish. Use a second microfiber towel to wipe to a high gloss shine.

*For subsequent application (wet vehicle)* - wash vehicle. Apply a few sprays to a panel. Wipe dry with a microfiber towel. For best results, start with glass first to avoid streaking.

*For subsequent application (dry vehicle)* - wash and dry vehicle. Apply a few sprays to a panel. Use one microfiber towel to lightly wipe product into finish. Use a second microfiber towel to wipe to a high gloss shine. If surface begins to streak, use another dry microfiber towel or use less sprays per panel.
